Subject: Ready-to-Customise E-commerce Toolkit—Product Listings, Replies & More!

Hi [Name],

Writing product descriptions, preparing SEO fields and answering customer questions can take up a large part of your working day.

The **E-commerce Seller Toolkit – Product Listings, Customer Replies & Store Templates**, prepared by Digital Traffic Gurukul.online, India, gives you practical starting points for these tasks.

Inside, you'll find:

- 15 product listing templates across five categories.
- Three completed examples and a supplier checklist.
- SEO worksheets for titles, meta descriptions, tags and URLs.
- 30 AI prompts with accuracy instructions.
- 25 editable customer reply templates.
- An Excel workbook for tracking products, listings and enquiries.

Customise the resources with your confirmed product facts and actual store policies, then review your content before publishing.

Subject: Prepare Your Store Content—Seller Toolkit with 3 Practical Bonuses

Hi [Name],

A product listing is only one part of preparing your store. You also need useful images, clear FAQs and a plan for the work ahead.

That's why the **E-commerce Seller Toolkit** includes three supporting bonuses:

1. 7-Day Store Launch Planner

Organise daily tasks, priorities and launch checks, with a shorter preparation path for existing stores.

2. Product Photography Checklist

Review lighting, backgrounds, angles, detail shots and accurate colours before uploading product images.

3. Customer FAQ Builder

Prepare answers about products, delivery, payment, returns and support using your actual policies.

These bonuses complement the listing templates, SEO worksheets, AI prompts, customer replies and workflow tracker.

Subject: Create Your Own Branded Seller Resources—Explore the PLR Edition

Hi [Name],

Would you like a starting point for creating branded resources for online sellers?

The **PLR Edition of the E-commerce Seller Toolkit** lets you customise eligible written content within the supplied licence.

You can adapt eligible listing templates, SEO worksheets, AI prompts, customer replies and bonus resources into your own branded finished PDFs.

Possible uses include:

- A customised PDF guide for your audience.
- A practical resource included with your training.
- A finished PDF bonus for customers.
- A useful download for lead generation.

The permissions have clear limits: you cannot redistribute editable DOCX/XLSX source files, resell the unchanged toolkit or pass on PLR, resale rights or master resale rights. Videos, branded graphics and other excluded files are not covered by PLR resale permissions.

Review the PLR edition and its licence scope:

Subject: Your Next Product Listing Starts Here—Templates, AI Prompts & Tracker

Hi [Name],

If your product details, listing drafts and customer follow-ups are scattered across different files, try a more organised process.

The **E-commerce Seller Toolkit** helps you work through three steps:

Step 1: Confirm the product facts.

Use the supplier checklist to record materials, dimensions, variants and package contents. Flag missing information.

Step 2: Prepare and review the content.

Customise a listing template, complete the SEO worksheets and check any AI-generated text against the facts you supplied.

Step 3: Track the next action.

Use the Excel workbook to record listing status, customer enquiries and follow-up dates.

The package also includes three demonstration videos covering listing preparation, Shopify SEO fields and handling a customer enquiry.

Start with one product and use the resources as you work.

Subject: Skip the Blank Page—Get Editable E-commerce Templates & 3 Bonuses

Hi [Name],

If you're considering the **E-commerce Seller Toolkit – Product Listings, Customer Replies & Store Templates**, here's how to choose your edition.

Choose Standard Edition if you want to prepare listings, customer replies and workflows for your own store or client work. Redistribution of the toolkit is not included.

Choose PLR Edition if you also want to adapt eligible written resources into branded finished PDFs for sale or giveaway, within the supplied licence. Editable source files and onward PLR rights cannot be distributed.

The complete toolkit brings together:

- 10 PDF resources.
- Six editable Word files.
- One Excel workbook with three sheets.
- Three demonstration videos.
- Three bonuses included within the package.

It provides resources for preparing content and organising work. It does not guarantee orders, income or search rankings.
